

CONTENT SERIES / MULTIPLE SESSION ENCOUNTERS

Recommended duration: 12-15 hours - 4 or 5 sessions after school / 2 p.d. days or Saturdays

- * Can be offered before or while teachers are teaching the subject for different experiences.
- * 12-or-more hour content courses can include pre-post learning assessment.
- * Subjects and options are only suggestions. Offerings are most effective if we design to custom-fit your district / school / group's needs.

All topics, grade ranges and suggested durations are flexible.
