40

fish

Caught by participants at Free Fishing Day

265 got out on the Delaware

kayakers

80

Pounds

of food served to our animals

156

Lessons

Taught at Charter Network School

7

trash clean ups along the river

In the spirit of giving this holiday season...

Your donation helps support the CAUSE teens to reach their full potential as environmental champions and expands Camden residents' access to and stewardship of local waterways and green spaces. No gift is too large or too small, and every dollar goes toward helping us accomplish our mission. And, just as important as your financial support, we need your help spreading the word about all that we do. Please consider following us on social media (we're on Facebook, Instagram, YouTube, and LinkedIn) and sharing our posts with your networks.
